# CLUSTER AUTOMOTRIZ GIRAA A.C.

Grupo de industriales del Ramo Automotriz de Aguascalientes.

# Who We Are

We are a self-sustaining cluster that participates in the development of suppliers in the value chain for automotive, aerospace, agro-industrial, and medical industries—among others.

We generate agreements, facilitate connections with universities, research and development centers, government institutions, and international relations.

## Our Vision

Contribute actions that change the local, national, and international economy. Generate future-focused strategies and develop ideas that promote the participation of all members.

® ORGANIGRAMA 2024-2026

# Our Objectives

## Binding

Be an important link in the state for attracting foreign investment.

## Globalization

Promote trade exchanges with various countries.

## Leadership & Innovation

Promote sustainability and innovation among member companies of leadership.
